About the Study Melbourne Hub

Located at **17 Hardware Lane** in the heart of Melbourne, the Study Melbourne Hub is a dedicated space for international students living in Victoria.

Our student services team is ready to help students with any issue they may be facing, including financial hardship, accommodation, mental health and wellbeing and employment, including the provision of a free accommodation and employment legal service.

The team here also speak many languages, and many were also international students themselves, so they understand what it is like to move to a new country.

The Hub has plenty of study spaces for students who are looking for a welcoming and warm place to do their assignments, or if they want to meet new people as they enjoy free coffee, tea, and snacks.

Study Melbourne also runs a calendar of exciting events to help students make new friends, network, and learn new skills, including free professional development programs to get them ready for post-study work life.
