

Study with Victoria

A strategy for Victoria's international education sector, enabling students to study with Victoria from anywhere in the world.

Vision:  Victoria is a global leader in education and student experience, recognised for quality, innovation, and inclusion.

Goals:  A leader in student experience and graduate outcomes.  Diversified and strengthened global partnerships.  A global reputation for education excellence.

Pillars:

The student experience

Employability and alumni connections

Promotion of Victoria's education offering

Global connections and partnerships

Collaboration for a strong sector

Actions:

- Provide accessible support services through the Study Melbourne Hub.
- Provide free and confidential legal support for employment and accommodation matters.
- Support inclusive industry and student led projects (Study Melbourne Inclusion Program).
- Improve affordability and access through the International Student Travel Pass.
- Foster school-sector student support and voice.

Actions:

- Deliver student programs that foster employability and entrepreneurship.
- Elevate leadership capability and talent through Study Melbourne Ambassadors.
- Promote post-study pathways.
- Strengthen alumni engagement.

Actions:

- Promote Study Melbourne Brand.
- Grow Study Melbourne digital ecosystem.
- Showcase regional Victoria.
- Celebrate excellence through Victoria's International Education Awards.

Actions:

- Champion Victoria offshore through the Global Education Network.
- Support the expansion of transnational education delivery and partnerships.
- Promote digital learning and education innovation.

Actions:

- Drive industry engagement.
- Embed meaningful student engagement.
- Lead regular forums to improve student experience.
- Collaborate with the City of Melbourne.
- Advocate on behalf of the sector and students to the Australian Government.

The Victorian Government, through Study Melbourne, monitors the outcomes of *Study with Victoria* through 7 Measures of Success. Visit the [Study Melbourne website](#) to learn more and see our progress.
